## JAPAN by Japan Official Community Website Relaunched!!

JAPAN by Japan (JbyJ) website has just relaunched with a refreshed look, and more importantly a brand new feature: a membership points system! Our members can now accumulate points by participating in various activities – from answering surveys to attending events – and use the points to participate in JAPAN by Japan's new online lottery to win amazing prizes.

In addition to collecting of points, JbyJ members will also enjoy a number of other benefits which are detailed on our website. Along with the changes in website structure and looks, our privacy policy and terms of use have also been updated to ensure everyone can enjoy our contents in an even safer environment.

With so much said, it will still be better if you have fun experiencing the new JbyJ yourself! Come on in now!
